@ Meridian Financial Management Ltd

**SPECIAL OFFER FOR CYPRUS BUSINESS WOMEN MEMBERS**

**50% DISCOUNT ON INITIAL FEE**

Expat Pensions are pleased to offer **half-price initial fees to all members** who wish to seek advice from our highly qualified and experienced Independent Financial Advisors and transfer their UK personal or group pension(s) to one of our recommended QROPS.

Expat Pensions was launched early in 2008 in response to an increasing demand for specialist advice to clients of UK origin now living elsewhere in Europe. We were one of the first three companies dedicated to offering professional advice regarding QROPS offshore pension arrangements and investments. We are proud of our sound financial advice and the security which we have helped our clients achieve through our individually tailored financial planning recommendations.
