

TRAVEL INSURANCE 10% DISCOUNT FOR CBW MEMBERS

I was talking about insurance at the March meeting and I can now offer members a 10% discount for all policies taken out either single trip or annual. The cover is completely flexible, allowing you to add or take out sections e.g if you have medical cover already you can just insure personal property for when you are travelling.

Can you please remember the fact that this is for members ONLY although the discount will apply to any couple or family policies as long as the member is named. Can you please email me at vicky@centurycyprus.com to advise that this has been done so that I can log it?

Instructions to use 10% discount code:

Click onto website www.centurycyprus.com and on the right hand side click through to Holiday Extras. At the top of this page click into the Travel Insurance link. Members can take out policy if they are UK residents, or Cyprus residents so this may also be suitable for other family members overseas. There are both single trip options as well as annual policies and the system will automatically take payment in GBP or Euros and email direct the policy documents. There is a full FAQ section on there for any questions. The cover is excellent and I can highly recommend them as a 'human' insurer!! Basically they take each claim sensibly and don't try to find a loop hole like many other companies! Once you have decided to go ahead with your quote, then make sure you add the following code to the discount code section: 30001. This must be added as no discounts can be added afterwards.
